

II. Questions for Contracting States

A. "Service Section" of the HCCH website

- 4) On the "Service Section" of the HCCH website, the Permanent Bureau currently provides practical information for each Contracting State that was mainly obtained from the responses to the 2003 Questionnaire accompanying the provisional version of the new edition of the Practical Handbook on the operation of the Service Convention (2003 Service Questionnaire). If your State has not yet done so, please provide comprehensive information to this effect below (obviously, the Permanent Bureau is not asking for a comprehensive list of individuals who may be forwarding authorities, but rather for a reference to all the categories of authorities, officials or professionals that may be forwarding authorities, for example "the courts", "bailiffs", "(professional) process servers", etc.):

C. Statistics

Main Channel of Transmission (Art. 3)**Requests for Service – Incoming**

- 9) The following questions relate to the number of requests for service *addressed to your State* under the Service Convention.
- a. Please complete the following table to indicate how many *incoming* requests for service the Central Authority(ies) of your State received in each of the past five years under the main channel of transmission. Please also note, if possible for each year, the country(ies) from which your State received the most requests for service.

2003	2004	2005	2006	2007
Number: 133 State(s): <i>Turkey, The Check Republic, USA, Canada, Israel, Poland, The Netherlands, Russia, etc.</i>	Number: 184 State(s): <i>USA, Cyprus, Russia, Greece, Italy, France, etc...</i>	Number: 148 State(s): <i>Germany, Turkey, USA, UK, France, Ukraine, Switzerland, Canada</i>	Number: 190 State(s): <i>USA, Germany, Italy, Turkey, Israel, Russia, UK</i>	Number: 126 State(s): <i>Greece, USA, Cyprus, Turkey, Russia, Italy, Spain</i>

- b. Of the total amount of requests for service received in 2007, please divide these depending on the method of service that was used by your State and complete the following table with respect to the time that lapsed between the Central Authority(ies) of your State receiving a request for service and the relevant authority of your State forwarding the Certificate of service to the applicant in the requesting State.

For example, if your State executed 12 requests for service using personal service and the entire process took less than two months in each case, please write the number "12" in the relevant box. The total amount of incoming requests for service that your State received in the past year should therefore equal the sum of the figures appearing in the sub-totals line below:

Method of service	Less than 2 months	Between 2 and 4 months	Between 4 and 6 months	Between 6 and 12 months	More than 12 months	Returned un-executed (Art. 13)	Cases currently pending
Formal service (Art. 5(1) a))							
Service by a particular method (Art. 5(1) b))⁴							
Informal delivery (Art. 5(2))							

Sub-totals:							
-------------	--	--	--	--	--	--	--

The average period for execution of rogatory commissions concerning service of documents in Bulgaria for the period 2003-2007 is 3 months. There are cases for execution for 2 months and single cases for 5 months. The used method of service is formal delivery according art. 5(1) a).

Requests for Service – Outgoing

10) The following questions relate to the number of requests for service *sent by the forwarding authorities of your State* under the Service Convention. These questions are likely to require some consultation with the (main) forwarding authorities in your State that (may) have previously forwarded requests for service:

- a. Please complete the following table to indicate how many *outgoing* requests for service the forwarding authorities of your State have forwarded to Central Authorities of other States Parties in the past five years. If possible, please also note the country(ies) to which your State sent the most requests for service for each year listed below.

2003	2004	2005	2006	2007
Number: 171 State(s): <i>Turkey, Germany, the Check Republic, Belgium, UK, Poland, Switzerland</i>	Number: 232 State(s): <i>Turkey, Germany, Greece, Poland, The Check Republic, Switzerland</i>	Number: 323 State(s): <i>Turkey, Germany, USA, Greece, Netherlands, France</i>	Number: 350 State(s): <i>Turkey, Germany, Greece, France, Belgium, Russia</i>	Number: 204 State(s): <i>Turkey, Germany, Greece,</i>

- b. Of the total amount of requests for service sent in 2007, please complete the following table with respect to the *time that lapsed* between the forwarding authority of your State sending a request for service and the applicant receiving the Certificate of Service from the requested State. Please also divide these depending on the method of service that was used in the requested State.

For example, if your State is made aware that six requests for service were sent from your State and the entire process took less than two months in each case, please write the number "6" in the relevant box. The total amount of outgoing requests for service that your State is aware were sent in the past year should therefore equal the sum of the figures appearing in the sub-totals line below:

Method of service	Less than 2 months	Between 2 and 4 months	Between 4 and 6 months	Between 6 and 12 months	More than 12 months	Returned un-executed (Art. 13)	Cases currently pending
Formal service (Art. 5(1) a)

The average period for execution of rogatory commissions concerning service of documents abroad for the period 2003-2007 is between 4 to 7 months. There are cases for execution for 3 months and single cases for more than 7 months. The used method of service is formal delivery according art. 5 (1) a).

For any areas that require improvement, please also indicate whether your State considers that solutions could be developed in specific *Conclusions and Recommendations* to be adopted by the next Special Commission or by specific comments in a new edition of the *Service Handbook* or if a *Protocol* to the Convention is needed.

III. The main channel of transmission

A. Forwarding Authority (Art. 3)

- 27) In Conclusion and Recommendation No 49, the 2003 Special Commission advised that in case of doubt as to the competence of the forwarding authority, rather than rejecting the request for service, the authorities in the requested State should seek to confirm that competence by either consulting the HCCH website or by making informal enquiries, including by way of e-mail.

B. Methods of service (Art. 5)

- 29) Please complete:
- a. Formal service (Art. 5(1) a))
- (i) Please describe the methods of service prescribed by the domestic law of your State to effect formal service of documents upon persons who are within the territory of your State (Art. 5(1) a)):
- (ii) Please indicate the method(s) generally used by your State when service is requested under Article 5(1) a) and no preference has been indicated as to the manner in which service should be effected (*e.g.*, personal service, by post, etc. See also below Question 29) c. (ii) and (iii)). Please also indicate your State's reasons behind any such default choice:
- b. Service by a particular method (Art. 5(1) b))
- Pursuant to Article 5(1) b), service may be effected by a particular method requested by the applicant unless such a method is incompatible with the law

of the requested State (requests for the use of a particular method are fairly rare in practice, see para. 132 of the Service Handbook). The purpose of this provision is to enable requests for a particular method of service *contemplated by the law of the requesting State* to be applied in the requested State so that the validity requirements for service in the requesting State are met. However, it appears that some forwarding authorities are systematically requesting that their request for service be executed under Article 5(1) *b*) even in circumstances where they intend to have service effected by a method that is recognised under the laws of the *requested* State (such as personal service). The Permanent Bureau believes that this practice is erroneous and that such a request should instead be made and specified under Article 5(1) *a*).

In the Republic of Bulgaria the service is formal within the meaning of Article 5 of the Convention – it is done by the Court during a sitting of the Court.

- (i) Does your State agree with the position of the Permanent Bureau that a request for a method of service that is recognised by the law of the requested State (such as personal service) may be specified and effected under Article 5(1) *a*) and that Article 5(1) *b*) serves a separate purpose?

YES

NO – please explain why:

- (ii) If relevant, please describe the particular methods of service which your forwarding authorities have requested other States to use under Article 5(1) *b*) and whether these particular methods have in fact been used to effect service: ***It is not relevant in our practice***

- (iii) If relevant, please describe the particular methods of service by which your State has been requested to effect service under Article 5(1) *b*) and whether these particular methods have in fact been used to effect service: ***It is not relevant in our practice***

c. Informal delivery (Art. 5(2))

- (i) Does the law of your State provide for *informal delivery* of documents (understood to be a method of service where the documents to be served are delivered to an addressee who accepts them voluntarily)?

YES – please describe how service of documents via informal delivery is made in your State (Art. 5(2)):

NO

- (ii) As a matter of practice, does your State systematically attempt service of process by informal delivery if and when no particular method of service has been requested under Article 5(1) *a*) or *b*)?

YES

NO

- (iii) As a matter of practice, does your State systematically attempt service of documents via a *formal* method of service when informal delivery has proven to be unsuccessful?

YES – please specify if your State imposes any additional requirements before such formal service will be attempted (*e.g.*, a translation):

NO, *we are using the formal methods of service*

C. Translation requirements (Art. 5(3))

30) Please indicate if your State, as a requested State, imposes any language or translation requirements for documents to be served in your State under Article 5(1) (see Conclusions and Recommendations Nos 67 and 68 of the 2003 Special Commission):

NO requirements

E. Modern Technologies

33) In Conclusions and Recommendations Nos 60 to 62, the 2003 Special Commission noted that the Service Convention does not on its terms prevent or prescribe the use of modern technologies to assist in further improving the operation of the Convention and that States Parties should explore all ways in which they can use modern technology. In Conclusion and Recommendation No 63, a variety of steps were identified for the exploration and use of modern technologies: in

communications between a requesting party and a forwarding authority, in communications between a forwarding authority and a Central Authority of a requested State, and in the retransmission of the certificate of execution by the Central Authority or the designated authority (Art. 6). In light of these Conclusions, and in the context of the main channel of transmission, please comment on the following (see also below Part Three, Section II. C.):

- 34) In Conclusion and Recommendation No 65, the 2003 Special Commission recognised that whilst no translation is required under the Service Convention for documents transmitted under the alternative channels of transmission, in isolated cases, translations are sometimes required in these circumstances by the domestic law of States. Does the domestic law of your State impose translation requirements on documents that are transmitted for service through an alternative channel of transmission?

One of these conditions is Article 15(2) c) which states that "no certificate *of any kind* has been received, even though every reasonable effort has been made to obtain it through the competent authorities of the State addressed" [emphasis added]. Please comment on the interpretation in your State of the expression "no certificate *of any kind*". law of your State enable a judge to enter a default judgment, despite the absence of a declaration under Article 15(2)? Upon what grounds would such a judgment be made? If there were some evidence that service had actually been effected, would this change the options that may be available to a judge?

- b. When the law of your State requires that documents be served within a specific period, does the law of your State also provide effective means to protect the interests of the applicant when the documents have to be served abroad and are thus subject to the effective operation of authorities or professionals abroad (*e.g.*, does the law of your State provide for extended periods of service or for fictitious dates of service based on the date when the documents are sent or ready to be sent abroad, etc.; see Conclusion and Recommendation No 75 of the 2003 Special Commission)?

YES – please specify: ***We do not determine a date; we just set the dead line, until which the forwarded document is to be served.***

These fillable forms have proven to be very useful. The Permanent Bureau would be pleased to make available other trilingual Model Forms in the same format (English / French / one of the official languages of a State Party). States that are interested in producing a Model Form with (one of) their official language(s) available as fillable PDF documents are invited to send to the Permanent Bureau a document in MS-Word with the text of the Model Form in the relevant official language. C. Certificate (Art. 6)

Please describe below and provide the citations for and / or a copy of any relevant decision or article in this regard (if this information is not in English or French, a summary into one of these languages would be appreciated): *At this time the use of modern technology in Bulgaria has been developed concerning Apostille Convention and we hope that in the future it would be provided regarding the Service convention.*
